Subject: Fakhruddin Ali Ahmed Medical College & Hospital, Barpet, Assam - Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2013-14 - regarding.

Sir/ Madam,

I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 2nd batch of 100 (One Hundred) MBBS students at Fakhruddin Ali Ahmed Medical College & Hospital, Barpet, Assam for the academic year 2013-14. The Board of Governors has granted approval after consideration of the Assessment Report dated 8th & 9th March, 2013 submitted to Board of Governors of MCI. However, the college authorities are advised for re-orientation of beds in Medicine & Allied departments. The Permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- No admission is permitted beyond the sanctioned intake capacity;
- Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the next academic year and this renewal of permission is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

A copy of the assessment report Part A-II is enclosed herewith.

Yours faithfully,

[Dr. REENA BHATNAGAR]
DEPUTY SECRETARY
